

Community Development Collaborative Learning in the North East

A series of practice events will be held in the North East Region for local authority staff working in and managing community development work between April 2010 and January 2011.

The events will:

- Provide opportunities for community development officers and managers to share and discuss good practice from across the region and beyond.
- Be interactive with a workshop approach intended to highlight project achievements, issues and lessons learnt.

The conference themes are:

- Reaching the Hard to Hear (21st April 2010, Shotton Hall, Peterlee, County Durham, SR8 2PH). Booking now open - http://www.northeastiep.gov.uk/event.htm?event_id=442
- Quality Standards in the delivery of community development work (June 2010*)
- Embedding Community Development within Local Authorities – the use of occupational standards (September 2010*)
- Community Development Resources Useful and Proven (November 2010*)
- Community assets – sharing services and improving efficiency (January 2011*)

All events will run from 10.00 – 3.30 pm and lunch will be included (please advise on any dietary requirements when you book your place)

* Final dates and venue to be confirmed

To register your interest in attending any/all future sessions please provide us with your email address and specify which session(s) you wish to attend. We will then keep you posted on event dates, venues and how to book your place.
